

We Rock The Spectrum®  
**KIDS GYM**

For All Kids - Moorabbin VIC

**PARTY INFO  
BOOKLET**

Just wanted to say a massive thank you for the party on Saturday. It was just so lovely to have a stress free party when I am not having to worry about where Kate is and what mischief she is up to. Not having to apologise to parties next door for Kate coming in and putting her hand into their lovely cake (yes it has happened!) or for trying to steal their child's Buzz Lightyear balloon. Everyone commented on how happy the kids were and told me afterwards that their children had really enjoyed themselves. We cannot recommend We Rock the Spectrum - Moorabbin enough. You are a little piece of heaven for all of us.

OMG WRTS Moorabbin is amazing! Today we had our son's 10th birthday celebration and to say the boys had fun is an understatement!!! Two hours of fun for a bunch of raucous boys, not even birthday cake could get them off the equipment!!! Highly recommend WRTS Moorabbin. We'll be back for sure.

What a wonderful place to be! We attended my nephew's birthday party here today and were so impressed with the centre! A great deal of fun was had by one and all (old and young). The staff were lovely and very helpful, the centre is extremely well appointed and lovely and clean. Would recommend to one and all. Thanks again for a wonderful afternoon!

# Frequently Asked Questions

## Why have a party at We Rock the Spectrum Kids Gym?

Our party packages are popular because of the fun yet gentle nature of our Gym. We only host one party at a time, meaning the environment is sensory safe and welcoming to kids of all ages and abilities. We aim to offer a boutique experience rather than a mass produced party feel. Feedback from guests and families is always excellent.

All of our party options have exclusive use of the facility to ensure a calm and fun-for-all celebration. The difference between the packages is around the number of kids, the use of the party room and the number of staff onsite.

## Are the parties just for kids with Special Needs?

Definitely not! Our gym is for kids of all abilities and all children benefit from the fun, quality equipment and safe, relaxed vibe of our space - not to mention how nice and chilled it is for parents!

We regularly host mainstream parties and private playdates for families who want a clean, comfortable, boutique experience and the feedback is always amazing.

## How long are the parties for?

Our party packages are for 2.5 Hours each and include 30 minutes set up time, a 1Hr 45 min party and 15 minutes of pack up time. Families are welcome to begin setting up 30 minutes before the start of their party. The room must be clear and guests must have left the venue at the conclusion of your Timeslot. Our staff will help you clean up with 15 minutes left.

## What is included?

Parties at We Rock the Spectrum include 1-2 We Rock staff members, depending on the package chosen. Your host(s) will help set up, support children on the equipment and keep the room tidy. Child guests still require supervision by parents/carers throughout the party. Towards the end of the party, your host(s) will help you pack up and wish guests farewell. All cleaning of the room and tableware is done by your hosts but we'll need your help with the pack up.

## Party Room with Decorations, Furniture and Tableware

6 x tables	Paper plates, napkins & cups for children
20 chairs	Overhead decorations, bunting & Happy Birthday bunting
6 chairs for adults	Plastic table-cloths
White plastic platters	Knife for cake cutting
Serving tongs	Lighter for candles
Jugs of water	Microwave / Oven

## Catering Options

Our parties are not catered although you are welcome to arrange a catering package directly with an outside cateror. Some families choose kids party caterers or have pizza or fish & chips delivered. When self catering we recommend going fairly light on, as kids are kept pretty busy in the gym and there is no enforced 'eating time'.

## What food can we bring if we self-cater?

You are more than welcome to bring any food or soft drinks that you like. You are able to store food in our fridge, or heat them up in our microwave or oven. We ask that you please do not bring in nut products as we are a nut-free facility.

# Frequently Asked Questions

## Can I bring my own cake?

Yes! We have fridge or freezer space that you can use to store the cake and a bench in the party room for displaying the cake. We have a lighter for the lighting of candles and can provide a knife for cutting.

## Can we bring alcohol?

No, we are not permitted to have guests consume alcohol on the premises.

## Does every child attending need a waiver signed?

All child guests are required to sign in or if they haven't attended our facility before, they will need to be registered and have a waiver signed. To avoid a backlog at the start of the party, you are welcome to send a Liability Waiver link to your guests. [Click Here!](#)

## Do you have coffee/tea making facilities?

We have a kettle and a coffee machine. Coffees can be purchased onsite. Please let us know in advance so we can have all of the supplies ready.

## Do children need to be supervised?

Our facility requires all children are supervised by parents or carers at all times, unless paying for our We Rock Care services. Your party host(s) are there to help ensure the party runs smoothly but not to supervise children. Attendees must be supervised by parents or carers at all times.

## Do adults need to take their shoes off too?

All people entering the gym area must remove their shoes. This is for the maintenance and hygiene of our gym matting. We have a small amount of shoe covers for those who cannot remove their shoes. Don't forget socks!

‘Thanks We Rock for an amazing party for our son. Our friends couldn’t get over how happy he was for the whole 2 hours! A lot of families wouldn’t notice all of the sensory considerations you’ve made but it makes a huge difference. We’ll be booking for next year!’

‘We just wanted to say how great things went for Eliza’s party. She is still on a high and so are we. You guys run an amazing show. Some of the kids had never been to a party before and all of the families couldn’t believe how well it all went. THANK YOU!’
